

Fireflies

Owl City

The image displays a guitar lesson for the song "Fireflies" by Owl City. It is organized into four systems, each consisting of a treble clef staff with musical notation, a tablature (TAB) staff with fret numbers, and a fretboard diagram. The key signature is B-flat major (two flats) and the time signature is 4/4. The first system (labeled '1') shows a sequence of notes with vibrato (V) and accents (^) over the first four measures. The second system (labeled '2') continues the melody with similar markings. The third system (labeled '3') shows further melodic development. The fourth system (labeled '4') concludes the piece with a final melodic phrase. The fretboard diagrams illustrate the physical placement of fingers on the strings and frets for each measure.
